What our Y6 children thought about Turquoise class this year...

SATS sound hard but they're not that hard really!

PGL is the best thing ever – you'll love it!

It was nerve wracking but actually once you get going it's fine!

Year 6 is like the sea; at some points it's challenging to get through but at other times you'll just sail through.

The teachers are great!

It's your last year so make the best of it! It's not hard you're just learning new things!

"We can't wait to see you soon"
