

Welcome to Year 5 and Team **Saffron**

Your new teacher is **Mrs Burr (previously Miss Summers)**.

Your new teaching assistant is **Ms Allwork, Ms Wilkinson, Ms Bobbie, Ms Elson and Ms Stretton**.

Things you might not know about Miss Summers, Miss, Allwork, Mrs Wilkinson, Miss Bobbi, Mrs Elson and Mrs Stretton

Miss Summers loves learning herself and likes to try new things (sky diving was definitely an experience). Miss Summers particularly enjoys teaching maths, PSHE and art. She likes to spend time with her family and friends and loves being active. Mrs Stretton is an animal lover who loves to read and is the parent of a Paralympian!

Hello! I'm Mrs Wilkinson, and I love spending quality time with my family making special memories and going on exciting adventures together. One of my biggest passions is arts and crafts—I believe creativity is for everyone, even if it gets a little messy!

Miss Allwork has a real passion for English and Music, and loves to read. She adores going on adventures and making special memories with her family. Mrs Elson loves to read and spend time with her four children. Her family motto is 'Be the best you can be' and strives for every day. Miss Bobbi loves to dance and hear funny jokes. She is deaf in her left ear and has been since birth! Her favourite subject at school was PE.

In Year 5:

We have lots of **exciting topics** to look forward to. In the Autumn our first topic will be Anglo Saxons and in Science we will be learning about Changes of Materials. In the Spring term, we will learn about the Vikings and forces.

Here's what our Y5 children thought about this year...

This year, I have enjoyed R.E., PSHE, English, Maths and a lot of PE. In art I enjoyed the colours and patterns in Kandinsky's art work that we replicated. I also enjoyed making Viking houses in D&T because we got to use saws and glue guns. History was also really enjoyable as we researched even further into the daily life of Vikings.

This year I have enjoyed R.E., PSHE and English. I particularly enjoyed learning a lot about all the different religions and their celebrations. Also, I enjoyed our trip to the Chiltern Open Air Museum, especially the part where the people were roleplaying being actual Vikings. D&T was also really fun as we made our own Viking houses in groups. I also enjoyed learning about Anglo-Saxons in History.

This year I really enjoyed English. The part I enjoyed the most was monsterology because we were able to make our own monsters and then write a description about them. P.E. was also fun because I enjoyed playing football. In PSHE I enjoyed creating my career ladder and learning about the steps I would have to take to achieve my goals.

What I really enjoyed about year 5 is what we have been doing in art. I loved making my very own version of Kandinsky's art work as we got to use many different mediums. Also, I enjoyed our times tables tests in maths, as I felt they really helped us learn them and the chanting was fun. The trip to the Chiltern Open Air Museum was amazing because we got to learn even more about Vikings and create our own Runes. I also enjoyed the making of Viking houses as we got to work in groups.

"We can't wait to see you soon"
