

# Learning and Achieving Together

## Hobletts Manor Junior School Newsletter

### 10th July 2025

Thank you for keeping our community safe by ensuring we remain a nut free school.

#### Sports Week 2025 - an overview from Mr Wallis

What an amazing week we had for Sports Week. It was so rewarding to see all the children engaged and happy doing their best to learn new skills and supporting each other when needed. The weather stayed kind for us and we were able to finish the week with our Sports Stars Festival on the Friday in sunshine. In addition to the onsite activities we had a host of off site events that included the Girls Cricket County finals, Dacorum Athletics event and a Girls Football event at St Albans Girls School.

Our week started with an assembly led by Jaime Knight showcasing some incredible freestyle football skills before leading class workshops. The children also had the opportunity to learn a Contemporary Lyrical dance routine with our very own, very talented, Mrs Green, and hone their skateboarding skills with Team Rubicon.

Tuesday saw The Skipping Ninja start the day with an assembly before delivering sessions to all the children which even included opportunities for the children to beat some of his world records! Mr Hall took to the classrooms to teach the children all about the importance of nutrition and we were also joined by Kieran Lai who delivered Street Dance workshops before popping, locking and waving during our second assembly of the day!

Wednesday brought us more dance from the Brilliant Dance Company with Lucy inspiring us all to move to Jazz and Ballet. We were also joined by Azure Cheerleading who taught whole year group routines and the children also had an opportunity to work together as they took part in Orienteering, our third activity.

Thursday was our final day of active workshops. Vernon Eze, player/coach from Hemel Storm Basketball started the day by delivering an inspirational assembly before delivering workshops to all the children, teaching them new skills and shooting techniques. It was lovely to welcome back David Gray from Leverstock Green Tennis Club who once again delivered fantastic skills-based sessions focussing, this year, on movement around the court and using forehand/backhand to return a ball. Our teaching team also worked with their children leading Archery sessions across the day. In the midst of all of this, my amazing Year 6 sports crew helped support Nursery and

Reception and Year 1 and 2 at their Sports Day. The children really shone throughout and showed amazing encouragement and support. I couldn't have been prouder of them all.

Friday then saw our Sports Stars Festival take place in the morning. After weeks of preparation and practice the children started the day by undertaking 12 activity sessions, each one challenging their physical and cognitive skills. The wind made some of the stations a little tricky but the teamwork and support on display was amazing. Once the activities were over the children had a quick break with some trying out the silent disco

whilst the running tracks were set up for the races. The children then had the chance to compete in a one lap race, house relay race and the sprint races. The 'Bring me up Sally' challenge also returned. With the activities coming to a close, we were then able to celebrate with an incredible family picnic lunch.

The week wouldn't have been such a success without the help and support of the whole school community and I want to thank, the amazing staff and everyone that came along and supported the school throughout the week. Special mention must be given to Mr Hall and Mr Porter who helped run the week, Miss Green who delivered Dance workshops to all and Miss Smith and Mrs Taylor who ran an incredible Sports café and supported me in arranging the week itself. The incredible staff and sports leaders from Adeyfield Academy who helped run the stations alongside our work experience students who worked their socks off throughout the week and were glad for the rest by the end. But most importantly to all the children that took part and gave everything a go sometimes doing things they wouldn't normally, but doing it with a smile and reflecting our school values throughout.

I have always been proud to work at this amazing school and weeks like this just go to show how important physical activity is to all the children here and how much support there is from our incredible school community to help make these events happen.

Thank you all once again for your support this year, It has been really appreciated by all of us in PE team

Mr Wallis

Well done to last week's certificate winners

	Values - Teamwork	Mathematics	English	Curriculum
<b>Amber</b>	Darcy and Erin	Ayla and Patrick	Harry and Nelson	Yasmine and Avneet
<b>Azure</b>	Cooper and Rory	Kenny and Margot	Mia and Charlie	Tate, Georgia and Isla
