Spotlight : Childcare Voucher Payment Schemes

Childcare vouchers are tax free schemes run by both private employers and the Government that offer a deduction from salary to use on childcare services.

We are delighted that so many of you are able to access these schemes and thought it may be helpful to clarify some of the conditions set out by the Department of Education around how they can be used.

Vouchers can only be used for out of school childcare by an OFSTED registered provider. This means we can credit your wraparound account with any voucher payment made to us, we can also use it for sports clubs run by the school and PGL as its a residential trip covering out of school hours activities.

What we **can't** use voucher payments for is school meals, clubs not run by the school (as they are not OFSTED registered) and school trips that occur in school time. Due to the strict guidelines around how vouchers can be used, we are also not permitted to refund a monetary value to any parent/carer for credit balances.

We hope you find this information useful and please do not hesitate to contact the Admin team should you have any queries.

Communication

As we continue to streamline our methods of communication with our families, we are looking to use the Arbor APP more often to send messages, rather than text messaging (e.g. for head bumps). We will of course still call you if anything is urgent and we will still use email as the priority for lengthier communications. If you ever need any support with Arbor, please do not hesitate to get in touch with us

Last week I had a wonderful time with Year 6 as we returned to Osmington Bay for our annual residential. Photographs from the week can be seen within the Team Pages tab on our website and below a little taster!

Huge thanks to Mrs Buck, Ms Kellaway, Mrs Green, Mr Wallis and Mr Porter for their support across the week and to Ms Reid for leading the team on site in my absence.

Congratulations to our latest stars
