This Term's Value ...

An Update from Mrs Short ..

Welcome back, we are looking forward to the term ahead and to working closely with you all once again. Over the holidays we have spent time on the school environment focussing on central areas, including the corridor and library. We are delighted with the feedback we have received by the children, we hope you like it too!

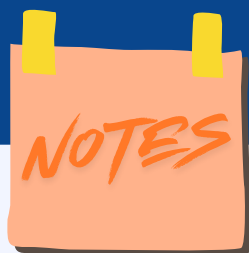

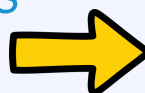

This week's spotlight on .. Kindness

We have talked together in assembly this week about kindness, what it is and why it is so important. This followed on from an assembly last week when we discussed happiness and what we needed to be happy. The children continue to engage positively, sharing really thoughtful reflections and support for each other.

CLASS BLOGS!

Read your class blog to find out what your child has been learning this week click here

Polite Reminders ...

Please ensure you park legally and considerately around the school premises when dropping off and collecting your child..We have had multiple reports of parking on private property and roads surrounding the school and on the pavement on Adeyfield Road.

If you have special permission to drive onto the school site, please ensure you have your pin number to enter into the keypad at the vehicle gate. We can not guarantee your entry without this number.

The gate is programmed to allow one car through, if you tailgate, the gates may close and touch your vehicle. Please wait and enter your PIN number to ensure clear access.

OUR GOVERNING BODY

On Monday, Governors met together as a Governing Body and it was lovely to be able to welcome Ben Rolfe to our team. Vacancies still remain for parents/carers, please do get in touch if you would like to know more about how you can become involved.

Congratulations to last weeks stars..!
