

Year 4

Summer Term Optional Home Learning

Your home learning for this term relates to our History and is all about finding out more about the Ancient Greeks! The final deadline for handing it in will be **13.07.26** so you have plenty of time to research and get creative! If you finish your project before this, then simply bring it into school and we will display it on our topic boards.

Present it in any way you like! You could make a model of the famous Ancient Greek landmark the Parthenon, you could create some Ancient Greek jewellery, or design your own Ancient Greek god/goddess and explain why you have designed them the way you have. Maybe you are interested in finding out more about what they ate and drank and could invent your own Ancient Greek dish or you might want to find out more about day-to-day life in Ancient Greece and create a power point presentation showing what you have discovered. There are so many ways you could show your knowledge!

When researching, you might like to think about:

- Who the Ancient Greek were
- What they were famous for
- Their daily lives
- The Greek gods and goddesses
- Greek art and sculpture
- How the Ancient Greek civilization came to an end

You could look at the following websites to help you:

- https://www.ducksters.com/history/ancient_greece.php
- <https://www.primaryhomeworkhelp.co.uk/Greece.html>
- <https://www.bbc.co.uk/bitesize/topics/z87tn39>

We look forward to seeing where your imaginations take you!
