This Term's Value ...

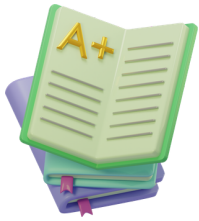

We have enjoyed a number of family events recently. On Friday, we were able to hold our Sports Day, an overview of which is included later in this newsletter. Huge thanks to all members of the team, but particularly to Mr Wallis our PE and Sports Lead, Mr Hall, our resident DJ for the day and Ms Smith for leading on refreshments – the home made sausage rolls flew off the table!

Thanks also to the children of staff and past pupils who joined us to support in the café and on the activities.

It was lovely to welcome families into school again this week for the Year 5 Cornet performance and our Open afternoon. The latter event followed our transition morning, a time for children to spend time with their new teaching team. We very much hope our Year 6's have enjoyed their visits to their secondary schools and look forward to them sharing their experiences with us over the coming days.

Annual reports will be coming home with your children tonight which we hope you find informative. The end of KS2 Results (SATS) have been delayed until 16th July and these will be distributed separately.

Summer Reading Challenge

The Summer Reading Challenge is an initiative created by the National Reading Agency in conjunction with local libraries. If visiting a library isn't possible, the challenge can be completed online!

The challenge is free to join and this year the theme is "Read to the Beat"

This year's official Read to the Beat book collection includes books about musicians, characters discovering music, sound science, cultural traditions, rhythm, storytelling through sound, breaking down barriers to music, creative expression and following your dreams. Game, Set and Match..

On Tuesday a group of 8 children embarked on a fantastic day out to Wimbledon, travelling to London on the train and Underground for a jam-packed itinerary. The children were lucky to watch some incredible doubles tennis matches, take part in some prize winning activities and enjoyed a well-deserved treat of strawberries and cream. They even managed an opportunity to visit Centre Court before play started (Thank you Mrs Bonner!) There were smiles all round, some of which featured live on BBC 2 with autographs from Annika Rice, a truly incredible day. Thank you to Mr Wallis and Mrs Bonner for accompanying the group and to the parents/carers for their support in getting the children to the train station for an early start.

A Spotlight On Sports Day

Our recent Sports Day was an absolute triumph! The sun shone brightly as our incredible children took to the field to showcase their athletic talents. It was a day filled with energy, laughter, and unforgettable memories for our entire school community.

The day started with our fantastic cheerleading squad, who kicked off the events, including an action-packed, carousel of sporting activities, the notoriously tough 'Bring Sally Up' fitness challenge, (very much enjoyed by the children and school staff, too!) and a classic line-up of track and field races, all rounded off with the fabulous silent disco.

Yellow team emerged as the ultimate champions followed by black, red, green and blue! The event showcased our school values perfectly and we saw many examples of responsibility, determination, self-belief, respect, enthusiasm and teamwork.

Thank you to all the staff, children and family members, who came out to support us and each other, and made this day so memorable! Thank you also to everyone who stayed with us to support and enjoy the family picnic.
