

Hobletts Manor News

25th September 2026

This Term's Value ...

At Hobletts, our school values are at the absolute heart of everything we do, shaping how our children learn, grow, and play together. We're always looking for new ways to work closely across both schools to bring these values to life for your children.

To help us on this journey, we were delighted to welcome the Wellbeing and Behaviour advisor from Hertfordshire for Learning (HfL) into school this week to meet with Mrs Yendell and myself. They gave us some brilliant, objective feedback that will help us enhance our work, ensuring our values keep inspiring the way our children learn and live every single day.

Play Equipment .. Rules of Play

We are very lucky to be able to enjoy the benefits of having large play equipment on our playground at the Junior School and we are happy for the children to use the equipment responsibly and in line with how we play in school. However we must re-iterate the following **Rules of Play** are followed by everyone to ensure children remain safe on the school premises and we are compliant with Health and Safety Regulations ..

- All use of equipment should **ALWAYS** be closely supervised by an adult. School staff are responsible for supervision between the hours of 8.45am and 3.15pm. At all other times it is the responsibility of the parent/carer
- The equipment is only suitable for children between the ages of 6 - 12 years. At no time should the equipment be used by children younger than 6 years old or older than 12.
- In wet or cold weather the equipment should not be used as surfaces will be slippery and dangerous

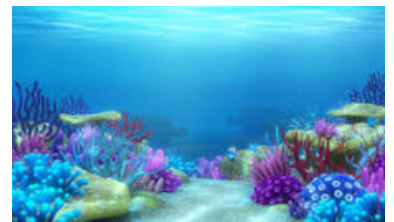

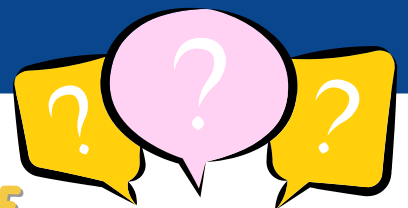

We appreciate your cooperation and support in ensuring the rules are followed so that we can keep our playground open for the benefit of all.

Lets get Talking....

THE QUESTION OF THE WEEK IS ...

**WOULD YOU RATHER LIVE
IN OUTER SPACE OR
UNDER THE SEA?**

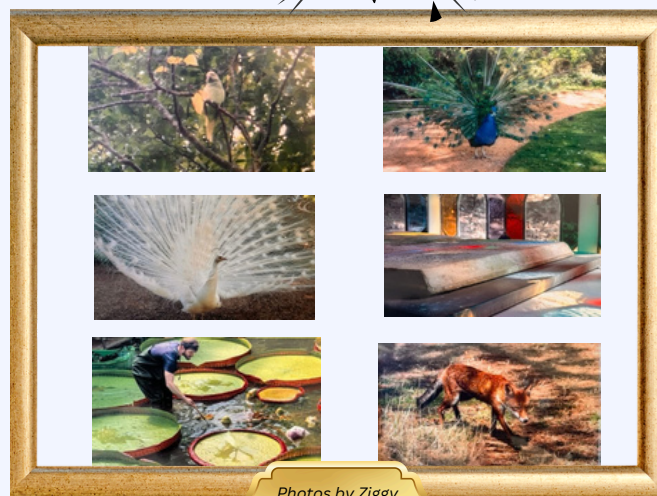

A Spotlight On ... Celebrating our Talents

At Hobletts Manor we are keen to celebrate the interests and talents of all the children. As such, we were thrilled this week when Jax T in Year 6, shared some photographs he has taken recently....

Photos by Jax T
Year 6

Photos by Ziggy
Year 6

Having been inspired by his great uncle, Ziggy too also brought in photographs he has taken. Having received their permission, we will be displaying these in school for our community to continue to enjoy.

Truly stunning boys, well done!

Congratulations to Last Week's Stars

	Values: Responsibility	Mathematics	English	Curriculum
Amber	Robyn and Daisee	Alfie and Agnes	Frankie and Jaxen	Raeaa and Aria
