This Term's Value ...

This week, we have had the opportunity to take part in two DSSN Sports events, Table Tennis and the Year 6 Tag Rugby event. An update on both will follow in next week's newsletter.

Today we were delighted to welcome Avant from Animal Aid into school who talked to us about the responsibility around owning and caring for animals and the importance of kindness. In preparation for Monty coming to work with us, we discussed a dog's basic needs and reflected on how similar they are to those of humans (diet, water, exercise, hygiene and rest). The week after next we will be learning more about Monty and even seeing him when he visits us in a few weeks time!

We highly value the partnership with all our families and understand that whilst we look to provide you with the information that you need, there may be times when you have a question, query, or even a concern. Please click on the link to our Communication Policy which has full details on who best can help you when those times arise.

Lets Get Talking ... Question of the Week

Gracias Xièxiè

WOULD YOU RATHER..

Merci DANKE

SPEAK EVERY KNOWN LANGUAGE OR BE ABLE TO SPEAK TO ANIMALS???

obrigado

Thank You!

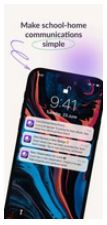

The Launch of New Comms App

We look forward to communicating with parents/carers via the new Juniper Education App which replaced Marvellous Me this week. We encourage all our parents to dowload the App as soon as possible so that we can continue sharing your child's successes with you.

Information can be found via the link here ...

Should you encounter any issues in signing up please let us know.

Parking at Drop off and Pick Up

Parking in the Local Area

Please park considerately on the streets around our schools. Residents have told us that blocked driveways have prevented them from leaving home to collect their own children or in some cases caused delays in getting to medical appointments. Please always keep driveways clear and park safely where permitted not obstructing pavements or pathways.

Parking for Blue Badge Holders

Blue Badge Holders are welcome to park on site when needed. However we only have two accessible bays and very limited parking on site, so you may have to wait for a space to become available. Please drive slowly and take extra care as children and families transition between the schools at drop off and pick up times.

A Spotlight On .... Attendance

Click here for our Supporting Children at School with Medication Policy

We are striving for maximum attendance at Hobletts Manor Schools. We know that sometimes absence is necessary when your child is unwell or injured. We also appreciate that it is not easy to know if your child is able to attend school or not. Please see above information that we hope you will find helpful.
