9th October 2026

This Term's Value ...

What a truly amazing week it has been for year 6! Whether our pupils were away on the residential trip or taking part in our on-site enrichment programme, we could not be prouder of how they conducted themselves.

Our Residential Adventurers: The children who traveled away fully embraced every challenge. They showed outstanding resilience, stepped out of their comfort zones, and thoroughly enjoyed every single moment of their adventure.

Our On-Site Leaders: The Year 6 children who remained at school had a week of enrichment. They threw themselves into every activity, worked together as a team, and showed fantastic growth by developing key leadership qualities throughout the week.

A huge thank you goes out to our amazing school staff who went above and beyond to support, encourage, and care for the children both on the trip and at school and of course to the children for making the week such a success, we are incredibly proud of all of you!

This week has embodied our Value TEAMWORK in every sense!

Lets Get Talking ... Question of the Week

Would you rather ... Sneeze Glitter or Burp Bubbles?

Enrichment Week - Year 6

This week Year 6 have been designing, creating and painting 'dragon 'eyes' with clay. Our aim being to make them as realistic as possible by using lots of texture which we created with different clay tools and a variety of clay joining techniques.

Year 6 have also been gaining experience as mini sport leaders, discussing what makes a good PE lesson and then planning and delivering that lesson to Year 3 and Year 5. The team did a fabulous job of ensuring all the necessary equipment was available and set up ready for the sessions, along with lots of encouragement and positive advice making the Year 6 teachers super proud!

Parent/Carer Workshop - Beezee Bodies

The team at Beezee Bodies are running a drop in session in the hall on Tuesday 1st December for anyone who would like further information or support with healthy habits at home. The drop in session will run from 8.45am until 9.30am and cover topics such as healthy eating, sensory eating challenges, and positive lifestyle habits. They've created a short survey to ensure they cover the topics that are important to you - so if you think you'd like to attend please complete the survey here all are welcome -

A Spotlight On .... Home Learning

Whether it is reading, rocking, or exploring a project together—Home Learning plays a vital role in your child's school journey and has so many benefits. Building confidence, strengthening core skills and developing independence just three! However we also know that at times it can be tricky. Please do remember, we are here for you if ever you have a question or need any support

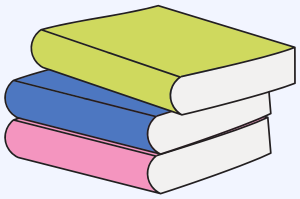

Tyler's tank made out of cardboard boxes completed for the Year 6 WW2 related homework.

WOW!

I joined an art workshop at Hemel Hempstead library about Dacorum's high streets, shops and homes. I made a concertina book inspired by the history of our town using different techniques.

Allergy Update... Safe Environments

Please note that in order to keep our school community safe we are .....

NUT FREE

KIWI FREE

PINEAPPLE FREE

We would be grateful if you could please avoid using these ingredients in your child's packed lunches or snacks due to airbourne allergies in school.
