Thank you for keeping our community safe by ensuring we remain a nut free school.

Year 4 Visit to Bhaktivedanta Hindu Temple

To enhance our learning in RE, we very much enjoyed going on our trip to visit the Hindu temple. We had a fantastic time exploring, and participating in a range of exciting activities and walking around the beautiful grounds, feeding the cows at the farm and having a cart ride pulled by the oxen. We also had the opportunity to try on traditional items of clothing and have our hands and faces painted in Hindu patterns before attending a religious service and learning more about the murtis. We were

treated to a delicious lunch and enjoyed second and even third helpings!

Year 6 Maya Day

Year 6 had a wonderful interactive day learning all about the Maya civilisation when Mexicolore visited us! We learnt how to count, chant, play musical instruments including drums, whistles and shells, as well as dressing up in Maya clothing and finding

out so much about how they lived their lives and worshipped Gods!

We had a fun day!

Did you know that....

The Maya used cocoa beans as money

The Maya believed that it took four years to get to the underworld after you died

The words chocolate, avocado and tomato came from the Maya

When you reached the age of 52, you got chocolate as a treat

Well done to last week's certificate winners

CARERS WEEK - YOUNG CARERS

Caring about Equality

- Could someone in your family be a young carer?
- A young carer cares for a **family member** who, due to illness, disability, a mental health condition or an addiction, **cannot cope without their support**.
- We are proud of our young carers and the care they provide. However, a young carer **may miss out** on extra support offered and opportunities in their education, careers and personal lives due to their caring role.
- You can get them further support by contacting the Young Carers Service at Carers in Hertfordshire.
